

Registration Link: <https://vision.hack2skill.com/event/solutionschallenge2025/>

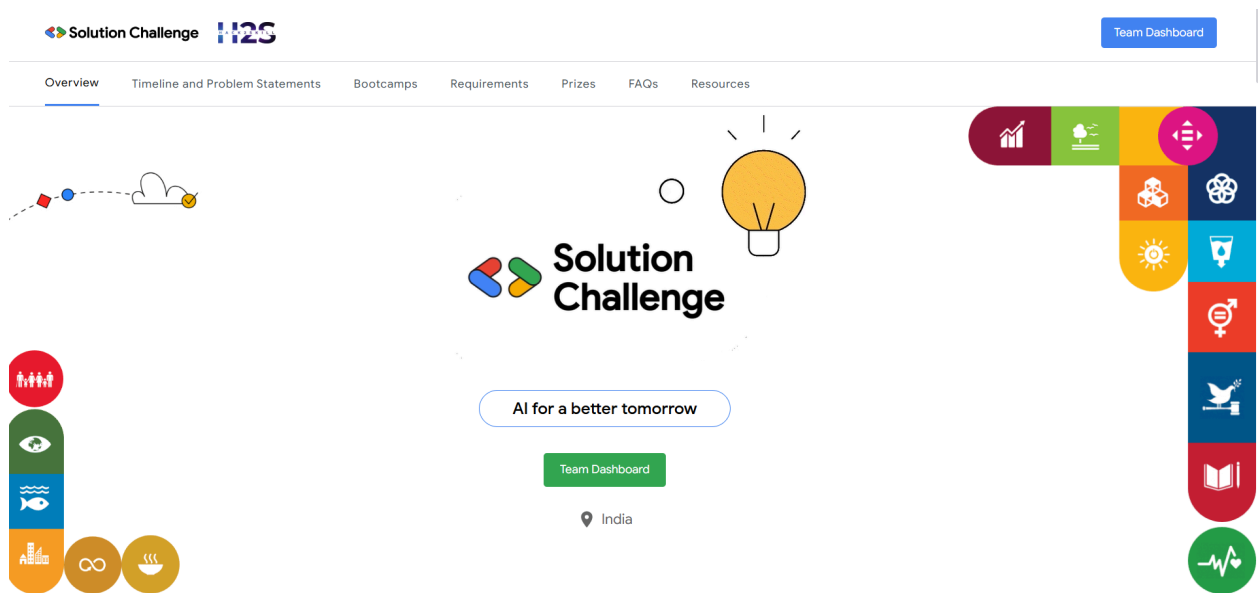

0. Individual Registration

✓ One member of the team should register first and create a team. Complete that by clicking “Register Now”.

1. After Individual Registration

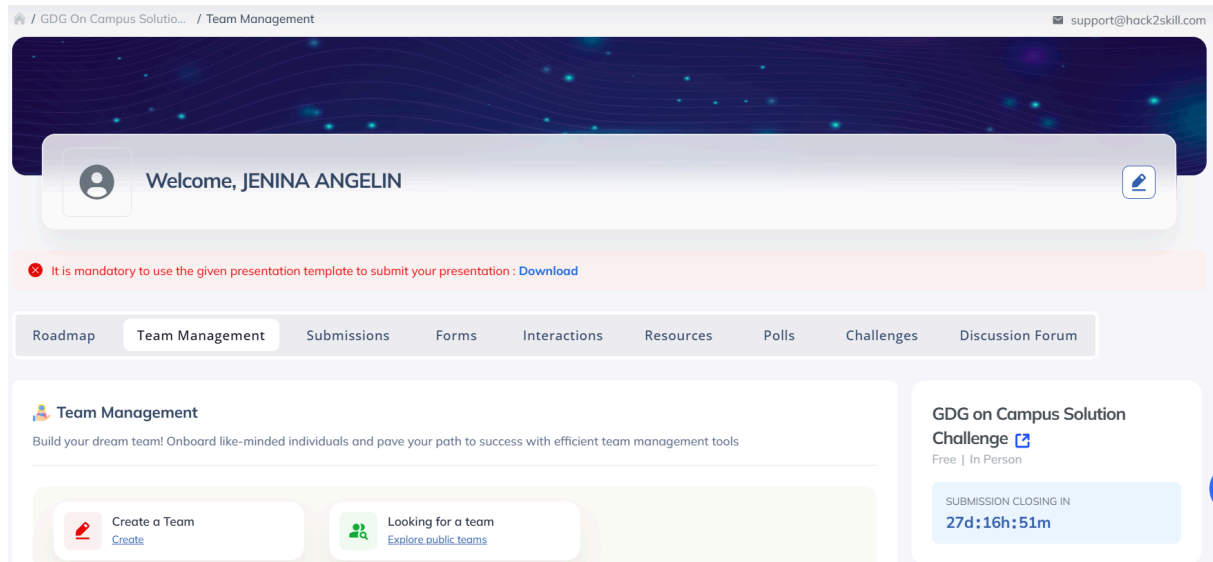

✓ Once you complete the registration process, you will be redirected to the **Team Dashboard** instead of the "Register Now" page.

2. Team Management Section

✓ In the **Team Management** section, you can:

- **Download the presentation template** for your team.
- **Click "Create Team"** to set up your team.

3. Creating a Team (Dialog Box)

✓ When you click **"Create Team,"** a dialog box will appear where you can:

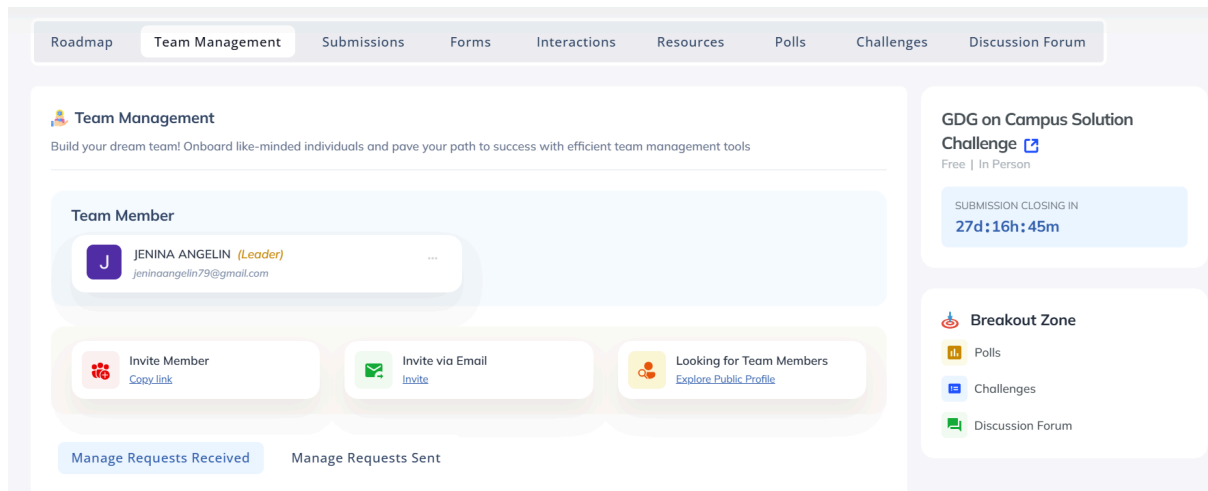

- Enter your **team name**
- Add a short **team description** (if required)
- Click **"Confirm"** to create the team

A screenshot of the 'Create a Team' dialog box. The dialog has a title bar with a close button (X). It contains three main sections: 1. 'Unique Team Name *' with a text input field containing 'SkyHigh' and a character count '7/256'. 2. 'Team Description' with a text input field containing 'Small Aim is a Crime!' and a character count '21/256'. 3. 'Let's upload a cool logo for your team' which includes a preview of a logo and a dashed box for uploading. The upload instructions state: 'Drop your image here or browse', 'Supports: image file upto 1 MB.', and 'Aspect Ratio: 1:1'. At the bottom right, there are 'Cancel' and 'Create' buttons.

4. After Creating the Team (2 - 4 members per team)

✓ Once your team is created, you can:

- **Send invites** to your friends to join your team

5. Inviting Friends to Your Team

✓ After sending an invite link to your friends:

- They will receive a **unique invitation link**
- When they **click the link**, they will be able to **join your team** directly
